

Dear Symposium 2023 Call for Abstracts Submitter:

Please read the following questions to prepare you for your abstract proposal. This document will list all of the needed details for successful submission. Make sure to get the name, email, organization, city, state, and country of your co-authors before you submit.

Types of Abstracts:

- 1) Traditional research abstracts based on original clinical and translational studies, individual case studies or case reports (5 or fewer patients), systematic reviews or meta-analyses, clinical practice guidelines, etc.
- 2) Abstracts for an educational performance such as a skit or song. See AAAS's Dance your PhD for inspiration: <https://www.science.org/content/article/watch-winner-year-s-dance-your-phd-contest>
